In answer to the enquiries "Why is it that we do not have longer terms of school?" I will say that we are not raising enough money. I have ascertained what some of our neighboring towns are doing and herewith submit their School Account that it may be compared with the Town of Whitefield:

NAME OF TOWN, JEFFERSON.

Appropriation by town..	\$1,200 00	Number of schools in town..	8
Received from state	1,117 00	" " scholars " "	..306

SUMMARY.

JEFFERSON	has \$402.62 for each of its 8 schools, or \$107.36 per school week of 30 weeks.
JEFFERSON	has \$13.42 for each week of school in every school in town.
WINDSOR	has \$334.00 for each of its 7 schools, or \$75.41 per school week of 31 weeks.
WINDSOR	has \$10.77 for each week of school in every school in town,
WHITEFIELD	has \$255.00 for each of its 10 schools, or \$94.44 per school week of 27 weeks. *
WHITEFIELD	has \$9.44 for each week of school in every school in town.

These statistics will speak for themselves; we should raise \$1,300.00 for support of schools if we do only what other towns are doing. We have more schools to run and a smaller number of scholars to draw money from the State school fund, therefore, we must meet these conditions by appropriating more money.

* Note. Whitefield has 10 schools as compared with Windsor 7, Jefferson 8.

Prizes offered by Idella Allard pupils in Keyes Corner School were won by Winfield Cooper, prize in spelling; Jessie Bailey, prize in spelling; Mary Hickey, prize in spelling.

Maurice Harrington, Winfield Cooper and Olive Hickey won prizes for regular attendance.

Bert Kelley and A. L. Wellman banked the school house. Wilbur Glidden and M. A. Snell fitted the wood for stove.

Two private schools are now in session in town, supported by public subscription; one at North Whitefield, and another at Coopers Mills. Nearly \$200.00 has been subscribed for these two schools, and this money was donated by less than 35. Judging from this commendable victory alone, it should be a very easy matter for those interested in the welfare of the scholars in town, to pass a vote to raise at least \$1300.00 for the support of common schools. By convincing certain residents in town that "Transportation" did not mean "maintenance of parents," we have saved \$171.70 in Transportation of Scholars for the year as compared with last year's bill for same. This should be again cut down without any injustice. The

schools are well supplied with books. We would suggest that a few cheap closets be made for school books, that they may be properly accounted for, and not be piled up in school rooms on the desks or floors.

Some very necessary repairs have been made on school buildings; the Keyes Corner school buildings have been made more habitable, as well as has the Church school. The cement foundation under the Keyes Corner school house makes the building more comfortable. We hope that the time is not far distant when a foundation of this nature will be under every school building in town.

In closing my two years' service as Superintendent of Schools, I wish to thank all with whom I have come in contact for their courteous and kind manner in discussing school affairs. My reward has been great, not in the salary that I received, but in knowing that I have been able to assist many worthy young teachers, and have encouraged many scholars to attend Normal Schools and High Schools. That alone is sufficient.

Respectfully submitted,

ANDREW C. HALPEN,
Superintendent of Schools.
FRANK C. JEWETT,
Truant Officer.

FREE HIGH SCHOOL.

Fall term at North Whitefield, Winter term at King's Mills.

Charles E. Jones, Principal. Marguerite Sukeforth, Assistant. These schools have had an attendance of over fifty scholars. The success of these schools and the value of the work done is so well known that comment is unnecessary. If we are to receive state aid for a Free High School it must have a permanent location in the near future. The sooner it is done the better it will be for the school.

CONCLUSION.

Our schools with but few exceptions have had the united support of parents, teachers, scholars and school officers and the result has been a very satisfactory school year.

We have employed several inexperienced teachers and they have done good work.

Purchasing school books for the Free High School has made the bill for school books larger than the appropriation and at least \$125 should be raised for next year.

There was no fall term of school in the Church school and the scholars were transported to the High School at North Whitefield, and no winter term at North Whitefield and Carleton schools and the scholars transported to the High School at King's Mills.

We have had twenty-seven weeks of school and have kept well within the appropriation for this year.

Warrant for Town Meeting.

To M. P. Doyle, a Constable of the Town of Whitefield in the County of Lincoln, GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Whitefield qualified by law to vote in town affairs, to meet at the town house in said town on the second day of March, 1914, at ten o'clock in the forenoon to act on the following articles, to wit:

Art. 1st. To choose a Moderator to preside at said meeting.

Art. 2nd. To choose a Clerk.

Art. 3rd. To hear and act upon the report of the several town officers.

Art. 4th. To choose Selectmen, Assessors and Overseers of the Poor.

Art. 5th. To choose a Treasurer.

Art. 6th. To choose an Auditor.

Art. 7th. To choose one or more Road Commissioners.

Art. 8th. To see what time the taxes of 1914 shall be paid in full.

Art. 9th. To choose a Collector of Taxes.

Art. 10th. To choose one or more members of the School Committee.

Art. 11. To choose all other necessary town officers.

Art. 12. To see what sum of money the town will grant and raise for the support of schools for the ensuing year, and to see what action they will take in regard to the transportation of scholars.

Art. 13th. To see whether the town will vote to raise

money and what sum, for the maintenance of State Highways during the ensuing year within the limits of the town, under the provisions of Section 9 of Chapter 130 of the Public Laws of 1913.

Art. 14th. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Section 20 of Chapter 130 of the Public Laws of 1913.

Art. 15th. To see if the town will appropriate and raise the sum of \$533 for the improvement of the section of State Aid road as outlined in the report of the State highway commission in addition to the amounts regularly raised for the care of ways, highways and bridges; the above amount being the maximum which the town is allowed to raise under the provisions of Section 19 of Chapter 130 of the Public Laws of 1913.

Art. 16th. To see what sum of money the town will grant and raise for the support of the Poor, for the repairs of roads and bridges and to defray all other town charges.

Art. 17th. To see what sum of money the town will grant and raise for Free High School and where they will locate the same.

FREE HIGH SCHOOL

In accordance with the vote of the town the three terms are being held at North Whitefield. Something should be done to make this school room more comfortable in the winter. This school has been under the instruction of Henry A.

Harriman and your Superintendent is well satisfied with the work done. The free high school costs the town the least of any of our schools and is of the most value to our scholars.

CONCLUSION

Our teachers are capable and interested in their work and our schools have shown much improvement during the year. If any of the parents wish to know what is being done in our schools it would be well for them to visit the schools oftener and then those who wish to criticize can do so much more intelligently.

The appropriation for school books should be the same as last year. Some necessary maps and books for the free high school will take what is undrawn of last year's appropriation.

Respectfully submitted,

LORE H. FORD,
Superintendent.
